

My Thanks to Sentient Beings Who Have Sent Greetings

Dafa disciples, people of the world, and all sentient beings:

Greetings!

Thank you for sending along your greetings and well wishes! I sincerely hope that all of my Dafa disciples will achieve Consummation! I sincerely hope that all the people of the world can be clear on the truth and distinctly see the most wicked demon that history decided to visit upon mankind for what it is, see how the wicked Party has poisoned the Chinese people and the entire world, and see how it has persecuted Dafa disciples--and thus manage to survive the greatest catastrophe of all time, which has befallen all beings. I sincerely hope that all sentient beings will be saved!

Sentient beings! All that you have been hoping for, awaiting, and concerned over for thousands of years has arrived, and is in fact currently unfolding. Through it each and every person is choosing, whether knowingly or not, his or her fate.

I would like to tell you: Dafa disciples are the sole hope of salvation for the beings in each region and each nation. Cherishing what they are doing amounts to cherishing yourselves!

Thank you again for sending your greetings!
