

To the Canada Fa Conference

To the Dafa disciples attending the Canada Fa Conference:

Greetings, all!

The Fa-rectification is progressing rapidly, and the righteous thoughts of Dafa disciples as they validate Dafa and save sentient beings are disintegrating in large quantities the meddling deities and rotten demons that play a negative role, thereby effecting fundamental changes in the state of the world. But the evil elements as well as the evil Party and evil specter, who can see that all is lost, are putting up a final struggle, and this is all the more reason for Dafa disciples to do an even better job of clarifying the facts and saving the world's people and sentient beings. The closer it gets to the end, the more you cannot let up; the closer it gets to the end, the better you must study the Fa; the closer it gets to the end, the stronger your righteous thoughts must be.

May the Fa Conference be a grand occasion wherein you all improve together! I wish the Fa conference complete success!
