

To the Midwest Fa Conference in Minnesota

To the Dafa disciples participating in the Midwest Fa Conference being held in Minnesota: Greetings!

I would like to first send my wishes in advance that the grand conference be a resounding success. Dafa disciples' cultivation is not merely for the sake of individual Consummation. Doing well at the three tasks of Dafa disciples and saving sentient beings are things Dafa disciples must do. [I know that] doing a good job of summarizing and exchanging experiences in cultivation and related to saving sentient beings, as with doing better at fulfilling what Dafa disciples ought to do, are things that you the disciples of Dafa hope to achieve by attending the conference. I hope that all of you will benefit from this Fa conference.
